FROM OUR OFFICE ADMINISTRATOR...

Well, by nature, I tend to look for the good in all things. That being said, I am very pleased to announce that the painter did not miss a single spot on the walls or ceilings recently painted as part of a renovation project. I have stared at walls and TV's more than I ever thought possible. Sheltering in place has not been Fran's or my first choice of what to do, but we have both enjoyed having more quality time together while we shelter and inspect the walls.

This time has also allowed me to consider and be amazed at the power of the Lord in providing means to worship even though we cannot be together. I am enjoying the Holy Week messages on Facebook as well as the Sunday morning worship services on Facebook and YouTube. I have also noticed that not everyone embraces technology as enthusiastically as I do. Neither Facebook or YouTube make it easy to login and find the services. The Lord provided David with a friend who is pastor of a church in Florida, and they have taken a unique approach to dealing with COVID-19 which we are emulating.

I encourage you to go to the Highland Baptist Church website (www.highlandbaptist.net) and notice that the home page has changed. There are three green boxes at the bottom of the screen that were not there before as well some verbiage addressing how we as a church are dealing with the social distancing issue. If you wish to watch a service (or see old ones) click the Facebook or YouTube boxes, and you will be immediately directed to the appropriate location. I encourage you to use this as an easy way to join us in worship.

I am not an attorney from Jackson, so I cannot tell you "One Call, That's All", but I am a techno nerd from Meridian. "One Click, That's Quick",
