

Dear Highland church family. As the coronavirus continues to spread around the world, in our nation, and even in our own state, we remain committed to do what Christ followers do in the midst of a pandemic like this, we will be hopeful and helpful.

What about Sunday? On Monday morning the Center for Disease Control recommended to limit mass gatherings to 49 people or less. Then by Monday afternoon, our President asked us to limit gatherings to 10 people or less. First thing Monday morning, your ministerial staff met. We prayed and sought God’s direction in this matter. We have decided that in the best interest of our most vulnerable members and to do our part to help stop the spread of the virus, we will NOT meet physically on campus for worship this coming Sunday, March 22. Instead, we are taking the church from one location to multiple locations via an online format.

Where can you join us online for worship? We have two streaming services which are www.facebook.com/hbcmeridian and www.youtube.com/hbcmeridian.

When will we meet? We will go live at 10:30 AM, with worship beginning at our normal time at 10:45 AM.

What will we do? Abby will lead us in worship just like any other Sunday. I will be back in Ephesians for the message. We are trying to make this experience as interactive as we can. In doing this, as you listen to the message, you can text in a question or post onto our Facebook Live feed and I will answer some of those questions near the end of our time.

See you Sunday at 10:45 AM.

Grace and Peace, Bro. David.
