FROM OUR SENIOR PASTOR...

Hello Highland Church family! Isn't God good? Better yet, isn't He great? God has been at work here at Highland and we are blessed to partner with Him and watch Him change lives. We may have been out of the norm for six months, but God has been at work in people's hearts and minds. God has saved people. He has brought people to recommit their life to following only Jesus. He has moved in the hearts of people to where they want to be generous with everything God has given them. The Lord has called new people to join our faith family here at Highland. And this Sunday, prayerfully we'll get to celebrate the baptisms of several people! God is great!

Psalms 44:1-3 reminds us that the battle is not won by how clever we are, how motivated we are, or how resourceful we are. The battle has been won by God and God alone.

*O God, we have heard with our ears, our fathers have told us,
What deeds you performed in their days, in the days of old:
You with your own hand drove out the nations, but them you planted;
You afflicted the peoples, but them you set free;
For not by their own sword did they win the land,
Nor did their own arm save them,
But your right hand and your arm,
And the light of your face,
For you delighted in them.*

God has delighted in Highland Baptist Church not because we deserve to be delighted in or that we are better than others, but solely based on His grace that rests in the finished work of Jesus Christ. Jesus has won the war! So if God delights in us, He fights for us. He goes to battle for us. He will win (has won) for us. The truth that God wins for us shouldn't keep us from partnering with him, but should motivate us all the more to rely on the Lord to save, redeem, and restore people through our interactions with them.

So, where are you partnering with the Lord? How can you partner with Him on the job? At school? In your neighborhood? We had a goal for 2020 that we would see 40 people come to know the Lord. We may be in the midst of a global pandemic, but God doesn't pause from saving people. Will you join me in partnering with the Lord to see the Lord meet and even exceed that goal? How awesome and glorifying to the Lord would it be for the Lord to save over 25 people in the next few months? I know He wants to. I know He can. But He wants to do it with us. Will you join me in praying, inviting, and sharing with others so they can come to know the love of Jesus? Not by our might, but definitely by HIS!

**Danielle Clayton,
CVS Pharmacy,
will be giving flu shots
from 8:00 a.m. to noon.
Call the office to make an
appointment and bring your
insurance card or Medicare (red,
white and blue) card.**
