FROM OUR MUSIC WORSHIP LEADER...

From the time I was a little girl, many of you have invested in my life and celebrated life events with me. You encouraged me in my spiritual walk and celebrated my baptism. You gave me opportunities to serve in the youth and college ministries here at HBC and prayed for and encouraged me when I started my internship in a children's ministry. You cheered me on through the long journey of seminary. You showered us with love and happily ever afters when Drew and I were engaged and you packed the church when we said, "I do." You welcomed us back to Highland and have been a constant source of encouragement as I've settled into life as your Worship Leader. So many of you have been influential in who I am today because of the things you taught me and prayed over me. I love to hear Mac call many of you by name as we pass your homes on the way to and from school and talk about things he's learning each week in Sunday school. It gives me pure joy to know that I am able to surround my children with people that had such an impact on my life.

On Sunday, many of you showed up to support us as we transition from a family of 3 to a family of 4. Drew and I are so thankful for all of the kind words and know that you're praying for us already. We are making the final preparations for our sweet girl to arrive and we are excited that she will have the same opportunities to learn from many of you and grow in her walk with Christ.

Lots of people have asked who will step in and lead while I'm on maternity leave. I will be out for several weeks when Hensley arrives, but Ken Hall will be stepping in and will do a great job. Currently, Ken is wrapping up 10 years of service as the Worship Leader at First Baptist Church, Yazoo where he's been on staff part time. Full time, he's the Youth Ministry Consultant for the Discipleship and Family Ministry Department of the Mississippi Baptist Convention Board. He and his wife, Sue, live in Clinton and he will be coming every Sunday morning to be with you in worship. I am grateful for Ken and his commitment to making sure that the incredible worship that's been taking place on Sundays will continue through the summer. I know that you will begin praying for Ken and Sue as they travel to Meridian each week and that you'll encourage them during their time at Highland.
