FROM OUR SENIOR PASTOR...

Last Sunday afternoon, it was just Ezra and me. Since he wouldn't take a nap, we did the next best thing. We went fishing. We strolled down to the pond. It was warm but a little breezy. I had a couple of poles with some lures on them. I threw one of the lures for a little bit, and nothing. It's my go-to spinner bait, but this time it wasn't working. So, I switched to a little beetle-spin and again, I threw for a little more and again nothing. I decided to change it up and make a lure. This time I threw one time and caught a nice bass. I was able to catch a fish because I threw a lure in front of a fish and it was attracted to my lure.

Did you know that's what Satan does to each one of us? I believe Woody Allen sums up one of Satan's best lures. Allen once quipped, "I don't know the question, but sex is definitely the answer." As believers, we live and exist in a sex-saturated culture. Sex is everywhere. But in the midst of this sex-saturated, but intimacy-starved culture, two things are happening. First, people are searching for truth, meaning, and purpose and they think that the allure of sex and sexuality without boundaries will provide it for them. Second, believers are just as tempted to grab on to this lure by Satan. But, as believers, we have an unbelievable opportunity to live out and speak about God's design for sex and sexuality like never before.

So what is God's design for sex and sexuality and how can we as believers leverage this to point others to Jesus? Well, you'll have to be here this Sunday to find out.:

GET FIT: Relational Health Part 2 – God's Design for Sex and Sexuality.

As we tackle this much needed discussion, we will offer a full children's church from nursery – 5th grade for this Sunday. I hope you will join us this Sunday!
