### FROM OUR CHILDREN'S MINISTER...

It's that time of the year again! Vacation Bible School is right around the corner, and I could not be any more excited. This summer, the theme for Vacation Bible School is "Destination Dig". We will become archeologists for a week and head over to Ancient Egypt to uncover artifacts that prove that the Bible is 100% true. The kids will discover on Day 1 that Jesus came to Earth just as God promised. On Day 2, kids will learn about how Jesus demonstrated God's power by performing miracles and showing the power of God's love. By Day 3, kids will be learning about how Jesus was betrayed and rejected by being beaten and crucified on the cross. However, on Day 4, kids will see that Jesus didn't stay dead, but rose from the dead three days later! And lastly on Day 5, kids will learn about the importance of sharing the good news about Jesus to other people. Is this not the best Vacation Bible School theme yet?!

I am so ecstatic for our VBS Theme this summer, but why is Vacation Bible School so important? Personally, I believe that Vacation Bible School is so important because it keeps kids focused on Jesus for an entire week. Nowadays, being a kid is exhausting because they are always so busy. They have school, so many different sports practices and games, hours of homework, family time, and so much more. But the week of VBS gives kids the opportunity to have fun with their friends while learning all about Jesus. Lastly, I personally believe that VBS is important because it unifies The Church. Vacation Bible School is an "all-hands-on-deck" type of event. There are so many things that need to be done to make VBS possible each summer. There are people on the front lines, teaching the kids about Jesus in Bible Study and in the different rotations at VBS. But there are also so many people working behind the scenes buying groceries, organizing material, counting the offering money, providing snacks for the teachers, folding, sorting, and so much more to make sure that VBS is successful.

If you are not plugged in to help with VBS but still want to help, this is what I still need: Head Recreation Coach, Assistant Teachers in Bible Study and Rotations, Nursery Workers, Snacks for the Teachers' Lounge, and more groceries. Let me know you want to help by calling the church office. Also, be sure that all the kids in your life are signed up for Vacation Bible School! You can sign your kids up by calling the church office. Trust me, you don't want to miss VBS this summer!
