FROM OUR CHIEF OF STAFF...

I AM VERY UPSET

To paraphrase Peter Finch from the 1976 film Network, "I am quite upset, and I'm not going to take it anymore." You absolutely would not believe what is happening at Highland Baptist church this week. "What has you so upset"?, you say. Well let me tell you.

- Wild children are everywhere.
 - They are constantly in the hallways.
 - They sing loudly.
 - They won't stay in one place.
 - They play loud music in the FLC.
- The air conditioners are working overtime.
 - The teachers of these children apparently believe that 85⁰ is too warm for teaching.
 - Even the children expect comfort!!!! This is outrageous.
- The pews are gone
 - The contractor has sent all of the pews away.
 - I can no longer take my daily nap un-disturbed.

I am going to do something about this today.

PAUSE: Fran has read this and strongly suggests that I get more facts. To quote Arnold Schwarzenegger, "I'll be back."

Well, I'm back; and it appears that I was premature. The children (almost 200 of them are in Vacation Bible School), and they are being taught the gospel. These children are being taught by very dedicated volunteers. It is truly a gift from God that the children can learn in 72⁰ comfort. They learn and retain more while simultaneously keeping the teachers sane.

We have dedicated contractors moving the sanctuary renovations project along, and they are planning the work very efficiently. We are truly blessed to be working with Christian contractors working in a Christ like manner.

I wish to change the title to this article to "We are blessed, and God is working within our midst."
