FROM OUR CHILDREN'S DIRECTOR....

Bible Drills

This semester, we are starting something new with all the kids in the Children's Ministry. We are starting to do Bible Drills! Bible Drills is an activity that all the kids will get to participate in on Wednesday Nights, but they will be participating in them with their own age group. The youngest group, which are the 4-year-olds, are learning the books of the Bible and memorizing three verses. The middle age group, which are kindergarteners through 2nd grade, are learning the books of the Bible and 25 Bible verses. The oldest group, which are 3rd graders through 5th graders, are learning the books of the Bible, 25 Bible Verses, 10 key passages, and will be able to locate all of them in 10 seconds. The oldest group will also compete in potentially three competitions: Church Competition, Association Competition, and State Competition.

Bible Drills requires a lot of hard work and practice, but the kids are so excited to start learning and memorizing all these things! Because of technology and being able to search for verses or having the verses up on the screens during the different church services, we sometimes neglect teaching kids how to use the Bible to find verses. I know when I was a kid, I was always so embarrassed to search for a verse during a church service because I simply had no idea where the books were. However, Bible Drills helped me overcome that because it taught me how to use the Bible, and that is my goal for the Highland Kids. It's also tons of fun because the kids get to compete with their friends over who can find the verse first, so it challenges them to study the Bible at home too and not just at church.

Church family, I ask that you pray for these kids as they start to learn and memorize all the Books of the Bible, verses, and key passages. Bible Drills is a lot of work, so I ask that you lift them up in prayers every day. Also, when you see an HBC Kid, ask them to quote one of their Bible Drill verses or ask them to find a book of the Bible. Any and all practice is needed to prepare them for the Bible Drill Competitions that start in March.
