FROM THE DIRECTOR OF CHILDREN'S MINISTRY...

I love the direction our church is going and the work of the Lord is evident. The Lord is in this place! I'm so thankful for Brother David and his vision for reaching the lost. We prayed so hard for a shepherd to guide us and with trust in the Lord we waited patiently. Thank you Lord for your answered prayers!

I told David in a conversation the other day that his passion for leading people to Christ reminded me of what was once myself. His spirit is so contagious and it motivates me to rekindle my own fire and get back to work saving souls. The day to day blah blah blah can get in the way of what's really important. Well, he's got that! He has vision, he has motivation, he has a strong prayer life, he has compassion for others, wisdom in following Christ, wise decision-making skills and he brings a happy joyful spirit into the church. He truly has the Lord as his shepherd. When faced with a challenge he knows that the Lord will work things out and not to worry, but to trust that the Lord has a plan. Sometimes that means change.

I love to see how he was an outsider coming into our congregation and innocent of knowing all about how we have always done things. It gives him a different perspective and I love that. Instead of falling into our patterns and routines, he wants to ask questions and know the reason and the purpose behind everything. Does it please Jesus? Does it reach the lost?

In staff meeting, we have had prayer for all of you. You are loved. We have prayed for our leaders and each ministry. David is learning and asking questions about all the ministry needs, our personal prayer needs and spiritual needs as we too need to be strengthened. Can I just say it feels so good to have this void filled. We are on the right path thanks to God's calling and David's following. I know it had to be hard to leave the church he loved, but when God called, he went. That's how I know God is working through him and HBC. He is just one man and we will need to continue to walk alongside him and do our part.

I pray he will continue to seek the Lord first and that we remember to get behind him and not in front of him. Trust that the Lord has a plan and it's good. Jeremiah 29:11

With Love, Dana

THANK YOU!

To our brand new church family: THANK YOU!! Who knew getting pounded could feel so good! Your thoughtful and generous gifts plus your encouraging words have blessed our family. We love you! **The Hopkins Family**

Church family, We are so thankful for the love you have shown us during our time at Highland. We're also incredibly grateful for the "pounding" last week! You sure know how to love and appreciate your staff! We enjoyed reading every card and felt so encouraged by the kind words in them. We're glad to be back "home" during this season and are looking forward to what this next year holds for our church. **Abby, Drew and Mac**
