FROM OUR WORSHIP LEADER...

School is back in session across Meridian and Lauderdale County and it seems like everyone has settled back into a routine. We are excited that the new CDC year has kicked off and are looking forward to what the Lord will do in that ministry this year, too! Don't you want to be a special part of what is taking place in the life of the church this year? One way for you to be involved in the CDC is by praying for the staff and the many families that walk through the doors each morning. I'm excited to commit to praying for a family in our CDC by name each day throughout the school year and I hope you'll join in!

In our Gathering Area, you'll find a display for "Adopt the Heart of a CDC Family." Each family and staff member has filled out a card with their contact information. All you are REQUIRED to do is pick up a card, keep it on your refrigerator, inside your Bible, or a place that will be a visual reminder of that family, and pray for them once a day. You may choose to send them an encouraging card once a month. You may decide to call or email them and ask how you can pray for them. You may want to invite them to our Wednesday night activities or our Sunday morning worship. You may want to send them a Walmart gift card or do some random act of kindness for them if you've gotten to know the family. Anything you do above and beyond the requirement would be appreciated, but all that is required is the act of praying for this family. Each family of the CDC is a special part of our church. Imagine the great things that will take place when we're all intentionally praying for the families and staff each day!
