ABOUT OUR CHILD DEVELOPMENT CENTER...

This Sunday during worship, we will honor the staff of the Highland Baptist Church Child Development Center. Currently in it's 62nd year of operation, this ministry continues to be one of the largest and most important ministries of HBC. From 34 students in 1957 to 218 students in 2019, the CDC has experienced continuous growth and advancement throughout the years. Two new programs have been added this year and they include music classes with "Ms. Abby" and Chapel with "Bro. David." The children and parents are very excited about both. As a church body, we have "Adopted the Hearts of our CDC Families and Staff Members" this year and there has already been such positive feedback from those who have received phone calls, emails or notes of thanks and encouragement from you. Keep up the good work!! If you haven't made contact with your family or staff member yet, let this be the week that you do. They will be blessed by your contact and so will you!!

There are currently 47 staff members who give tirelessly each and every day to make sure the precious children are not only taught their ABCs, 123s and other important skills to prepare them for Kindergarten, but that they are taught about the love of Jesus. These staff ladies go above and beyond to provide parents a peace of mind in knowing that their child is well loved, well taught and well cared for while at the CDC. This is more than their job, it's their ministry!

We, as a church body, are proud of the hard work and dedication of Jesselyn Harper and her CDC staff. This week, we will have an opportunity to thank them in person as they join us in our worship service. Please take a moment to seek them out and give them a verbal word of thanks and encouragement. The CDC ministry would not be possible without them.
