- November 24 – Dr. Harold Fanning
Thankful Harvest Dinner

Prayer and Service

We have entered into a new season at Highland Baptist Church under new pastoral leadership and a renewed spirit of prayer and service as the family of Christ. It is my hope, as Chairman of the Deacon body this year, to also enter into a new season of rededication of the Deacon Body to our basic and founding principles of "Prayer and Service" to you as members of Highland Baptist Church. When the first deacons were appointed it was to minister to the needs of the widows (widowers) of the family of believers. By their "service" it would allow the leaders of the church the time needed to prepare and preach the gospel to the congregation and the community. Over time, the Deacon Body has also assumed the role of protectors of the church and a leadership role in its functions.

Todd Vick, your deacon vice-chair, and I view this responsibility, which we voluntarily accept in faith, to be one of the most valuable tools of "service" to the members of our family of believers. I am emphasizing to your Deacon Body this year to rededicate ourselves to looking after the widows and widowers of our congregation who have contributed so much to the spirit, growth and preservation of our light on the hill we call Highland Baptist. In fulfilling our founding purpose to see after their needs we also want to become examples of service to our Lord by taking active roles in our church, not as leaders, but as servants of faith. Although the widow and widowers will hold a priority position in our functions as deacons, it does not mean that the rest of our family of faith will go unnoticed. Each deacon will continue to have a list of families he has been given to check up on and to serve in any way possible and we ask our Highland family to please let us know of special needs, prayer requests or just a need of encouragement. Although we are all members of the family of Christ, we are also members of our community who face the same trials and woes as everyone else. The difference is we have "Hope" in our Lord and Savior who has told us He will never leave or forsake us.

We, as your deacons, realize that we can accomplish nothing without our Lord and with this realization we are also stepping up as examples of men of prayer. You will see different deacons each Sunday coming forward during the invitation period of our service to pray for our church and our community. Without prayer our efforts are in vain and without service (works) our faith is lost. As we, your deacons, pray and serve you this year, we ask you to pray for us and our church as well while we all as a family celebrate our "Risen Lord and Savior."

In HIS Service,
Frank M. Coleman
Deacon Chair
